

CROSS BORDER LTL

LTL trucking services connect Canada & the USA

With over 50 years serving Canadian markets, extending Fastfrate’s footprint to the USA was a natural evolution. We now provide a comprehensive Canada/ USA Cross border service to existing and new Fastfrate clients alike.

Our Focus is LTL - We have partnered with select regional carriers throughout the USA to operate a seamless multi-gateway network between our countries. By combining the strengths of niche USA players with our longstanding Canadian infrastructure, the result is a great LTL service to meet the cross border shipping requirements of our valued customers

Features of our cross border LTL service include:

- Competitive pricing with our Fastfrate 101 tariff
- Dedicated Customs expertise
- Comprehensive coverage of Canada and the USA
- Movement of your dry goods across a wide range of industries
- Complete compliance and certification with all national security initiatives: C-TPAT, PIP, FAST

Our USA LTL Partners include:

Reduce the carriers you need to manage by placing your trust in the dedicated team at Fastfrate... now offering North American asset based service to our valued customers.
